Work Experience

Telemondo / Head, UI/UX Design

Davao City, PH / February 2024 - Present

- Researches optimal design solutions for core product features and collaborates with end-users to further enhance client products.
- Delegates tasks and reviews design issues with a co-designer to produce high-quality experiences efficiently.
- Works closely with developers when creating low-fidelity and high-fidelity wireframes, ensuring the designs are feasible for development.
- Writes engaging wireframe copy for 3 client projects and an internal project.
- Mentored 4 design interns in utilizing Figma tools, conducting user research, and performing usability testing.
- Illustrated a logo with 2 variations that adhere to the client's branding.

Tactiv / UI/UX Designer

Davao City, PH / November 2022 - January 2024

- Delivered tailored design solutions to clients by leveraging current industry best practices and design trends, resulting in increased client satisfaction.
- Led task delegation and design reviews as the design manager for 2 client projects in the finance and education sectors.
- Designed high-fidelity wireframes with and without design systems and produced complex prototypes to meet client's specifications.
- Contributed to an internal design system by coherently styling various components.

Tactiv / UI/UX Intern

Davao City, PH / February 2022 - March 2022

- Oversaw task assignments and facilitated design reviews with 4 UI/UX interns, serving as the designated team leader during the internship.
- Conducted a competitive analysis, built a sitemap, and designed low-fidelity and high-fidelity wireframes for an internal project with co-designers.
- Prepared 3 duo-colored logos, each with 2 variations, for an internal project.

Self-Employed / Freelance Illustrator

Davao City, PH / March 2021 - June 2021

- Commissioned by Canva to create science illustrations accessible to all users. Users can find the illustrations by entering the following under the Elements search bar: set:nAEaNgGgois.

Affiliation**UX Davao / Volunteer**

Davao City, PH / February 2023 - Present

- Hosts events for Davao City's UX community, garnering approximately 1,400 followers on Facebook.
- Served as a speaker and a mentor at 4 events by introducing UX concepts to 20-50 participants and advising an audience of 6-20 participants.
