## Education

### Mapúa Malayan Colleges Mindanao / Bachelor of Science in Computer Science

Davao City, PH / 2018 - 2022

- Graduated Summa Cum Laude.
- Received an academic scholarship, a scholarship given to students who belong at the top of their program.

## Work Experience

### Telemondo / Head, UI/UX Design

Davao City, PH / February 2024 - Present

- Research the best design implementation for key product features and collaborate with real users to further improve the client's product.
- Delegate tasks and examine design issues with a co-designer to produce quality experiences in a timely manner.
- Work with developers when building low and high-fidelity wireframes to ensure development feasibility.
- Write copies for wireframes for 3 client projects and internal projects.
- Mentored 4 design interns on using tools in Figma and performing user research and usability testing.

### Tactiv / UI/UX Designer

Davao City, PH / November 2022 - January 2024

- Provided clients with design solutions based on the current design practices.
- Assigned tasks and initiated design reviews with co-designers as the design manager for 2 client projects from the finance and education industry.
- Designed high-fidelity wireframes with and without design systems and produced complex prototypes for clients.
- Assisted in creating a design system for an internal project by styling different components.

### Tactiv / UI/UX Intern

Davao City, PH / February 2022 - March 2022

- Conducted competitive analysis, built a sitemap, and designed low and high-fidelity wireframes for an internal project with 4 UI/UX interns.
- Discussed task assignments and initiated design reviews with co-designers as the assigned leader during the internship.

## Affiliation

### **UX Davao / Volunteer**

Davao City, PH / February 2023 - Present
